ABOUT THE COMPANY

KORAL ICE CREAM COMPANY based in Nowy Sącz being owned by two brothers, Józef and Marian Koral started their business activity in 1979. Initially a small ice-cream outlet, during a period of several years it transformed into the Poland's largest ice-cream producer.

KORAL I.C.C. has manufacturing plants in Nowy Sącz, Limanowa and Rzeszów. The sales is conducted nationwide through our own distribution network and a network of wholesaling businesses.

Currently we produce over 50 ice-cream types, each in several flavors. Due to a possibility of selling our products on the markets of the European Union we offer an option of wide cooperation as regards wholesaling and retail sales of Koral ice-cream.
